The screenshot shows the website's header with navigation icons and the myhealthyherd.com logo. Below the header is a main content area with two columns. The left column is titled 'Log In' and contains fields for 'Email address' and 'Password', along with a 'Keep me logged in' checkbox and links for 'Forgot your password?' and 'Yet - another password?'. The right column is titled 'New to My Healthy Herd?' and lists benefits of signing up: 'Sign up with MyHealthyHerd.com for free', 'Start building your herd health plan straight away', 'Access great features supporting successful farm management', 'Join thousands of other farmers already registered with MHH', and 'No payment or credit card required'. At the bottom of the main content area are three buttons: 'Log In', 'Register Free as a Farmer', and 'Register as a Vet'. A footer bar at the bottom contains the copyright notice: '© 2014 myhealthyherd.com Ltd (8.24)'.

- 2) Select 'Register Free as a Farmer' and enter the information requested on the subsequent page:

It includes fields for 'First Name' and 'Last Name', a 'Farm Name' field, a 'Primary Herd Type' dropdown menu (currently set to 'Please Select'), an 'Email address' field, a 'Password' field, and a 'Confirm Password' field. A note states 'Your activation email will be sent to this address'. A 'Register me' button is located at the bottom left of the form. A small note below the password field says 'Passwords are required to be a minimum of 3 characters in length'.
